APPLICATIONS FOR A TRAVEL GRANT

Guidance Notes for Applicants

Travel Grants are for individual applicants making visits to the region, or to Northern African archives, to undertake self-contained projects or discrete elements of larger projects. Thanks to the generosity of the Celia Hensman Fund, we are also able to award travel grants for PhD students to conduct in-country research related to their dissertations. Grants cover costs of travel and subsistence **up to £1,500** for PhD students, academics and researchers undertaking reconnaissance tours or smaller research projects in Northern Africa, encompassing all countries within the remit of BILNAS: Libya, Morocco, Algeria, Tunisia, Egypt, Niger, Mali, Chad, Sudan.

BILNAS particularly welcomes applications to support research in its archives at the University of Leicester. Applicants must be ordinarily resident in the UK, or registered for a degree at a UK university.

All applications should demonstrate that funds are sought for a clearly defined, discrete piece of research, which will have an identifiable output on completion of the BILNAS-funded component of the research.

Eligibility

PhD students, academics and researchers undertaking reconnaissance tours or smaller research projects in Northern Africa, who are ordinarily resident in the United Kingdom or registered for a doctoral degree at a UK university. To be 'ordinarily resident' in the UK you must show that you habitually and normally reside in the UK from choice and for a settled purpose, year after year.

Referees

Applicants are required to supply the names and contact details of **ONE referee**, who should be asked to write directly to BILNAS with an assessment both of the value of the project and of the ability of the applicant to complete it successfully. In the case of PhD students, the supervisor should act as referee. For post-doctorate applicants, the referee should not be the applicant's PhD supervisor or a BILNAS Council member. N.B. It will be the applicant's responsibility to ensure that BILNAS receives these references by the application deadline: no application will be considered in their absence.

An application for a new grant from a recipient who has previously received a grant from BILNAS (formerly the Society for Libyan Studies) will not be considered unless the terms of the previous grant (submission of report and accounts) have been satisfactorily fulfilled.

Reporting and Terms

Any grant awarded must be disbursed by **30 June 2023** and spent by **31 March 2024**. Travel grants are only awarded for a single year. In the case of unforeseen delays to the planned research, a formal request for extension should be made by **1 February 2024** at latest. A report on the expenditure of the grant money will be required by **30 April 2024**. Evidence of a publishable outcome should be presented within 24 months of award.

Application Formats

Applications should be submitted by email. Please complete the Travel Grant Form and submit to:

Pauline Graham, General Secretary, BILNAS
